How to use the Hokkaido Golden Coupons

1. Show your book to a member of staff at a facility

Before using a service, fill in all the entry columns on the back cover and the back of the coupons inside pages, confirm the book has been stamped by the provider and hand this book to a staff member at the facility you want to use.

*Coupons cannot be used if the entry columns are incomplete.

2. The staff member detaches the coupons

The staff member at the facility detaches a designated number of coupons from inside the book.

*Coupons cannot be used if you detach them yourself.

3. Take the book back from the staff member

Be sure to take the book back after coupons are detached. If you forget to get it, you will not be able to use other services.

4. Use the facility

Enjoy the services offered by individual facilities. If reservations are required for the services, please make reservations on your own. If cash is necessary in addition to the coupons, you will need to pay this yourself.
